

Dear Laureate Families,

As 2020 has drawn to a close, I think it is safe to say that most of us are hoping for a very different 2021! Even those of us who usually do not like change are ready for some transitions.

One significant change for me will be shifting from school employment to working with kids in a different setting. While this is a bittersweet decision, I am confident that it is best. My final day at Laureate will be Friday, January 15th, 2021.

When I reflect on how much has changed since our school founding, I am deeply grateful for every opportunity I have been given and incredibly proud of the things we have collectively achieved! You and your scholars have taught me so much and challenged me to be a better person both personally and professionally. *Thank you for teaching me and for trusting me to teach your children!*

I look forward to hearing about the great things your scholars accomplish in the future!

Lots of love,
Ms. Louritt
